Jointly sponsored by Ascension/St. Vincent's Health

Disclosure of Relationship/ Content Validity

Faculty/Course Director/
Planners: Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CME/CE planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who have agreed to an identified resolution process prior to their participation were involved in this activity.

If you have any concerns, please call the Ascension CE Department at 205-838-3225 to anonymously express them.

Activity Objectives/ Desired Outcomes

Our core objective is to educate registrants with the most up-to-date imaging techniques and medical knowledge in order to improve diagnoses and patient care, always striving for the perfect balance between practical essentials and advanced imaging techniques, which can be applied in daily clinical practice.

Objectives for individual activities will be provided in the handout material and/or presentations.

Gap in Knowledge:

Lack of knowledge about the problem(s)

Lack of strategies to apply knowledge to practice (competence)

Schedule of Events

Saturday, March 2

7:00 am	Registration/Continental Breakfast
